[REDACTED] Branch Study

REF : Memo dated 29 Sept. 1958 from C/FE to  
C/O&M Staff, DD/P Area

1. Following discussions with representatives of your Division, we have agreed to provide the assistance requested in the referenced memorandum. However, the scope and significance of the project requires that your Division representative and our Executive Assistant have a common understanding of the problem and the extent of the examination necessary to recommend corrective measures.

2. Attached is a more specific statement of the project with an outline of what we expect to do to complete it. These have been informally cleared with your Chief of Support. We propose to initiate the project this date and estimate that it will be completed within four weeks.
